

FINAL ACTIVITY REPORT TO MIDIV EXECUTIVE COMMITTEE
November 11, 1984

Four ties for awards have occurred, none of which can be broken through application of MDIRRC 5.5. Thus, duplicate awards will be given for the championship in F Production; for second place in GT5 and Sports Renault, and for third place in A Sports Racing.

"Withdrawn" drivers are those who, during the season, accumulated more than 15 points in National races (MDIRRC 2.4a) or who qualified for firm invitations to the 1984 CSPRRC (MDIRRC 2.4b) after having earned points in the MDIRRC.

"Declared Out" drivers are those who requested not to be considered for MDIIRC points in accordance with MDIIRC 2.4c, or those (marked *) who became ineligible for points under provisions of MDIIRC 2.4a or 2.4b before they had scored any MDIIRC points.

"W" indicates a race "winner" who earned 12 points as the highest-placed MDIIRC-eligible finisher in the class (the number "12" won't fit in one column).
