

MIDWEST DIVISION INTER-REGIONAL ROAD RACING CHAMPIONSHIP
SPORTS CAR CLUB OF AMERICA

FINAL ACTIVITY REPORT TO MIDIV EXECUTIVE COMMITTEE
November 13, 1983

The following report, in points-list format, details all activity by drivers eligible for MDIRRC points at some time during the 1983 season. Points were awarded to those eligible drivers in accordance with MDIRRC Regulations, Section 2 (Eligibility) and Section 5 (Championship Scoring), with awards to be given to the top three drivers in each class in accordance with MDIRRC 6.4, and to the Driver of the Year in accordance with MDIRRC 5.7

Four ties for awards have occurred, none of which can be broken through application of MDIRRC 5.5. Thus, duplicate awards will be given for the championships in GT1 and Formula 440, and for second place in G Production and D Sports Racing.

DRIVER OF THE YEAR: Three drivers who scored 72 points each were in contention: Martin Wagner in GT3, Steve Bonney in Formula Atlantic and Stephen Dreizler in Formula Ford. Wagner and Bonney each won 7 races to Dreizler's 6, eliminating Dreizler. Bonney's season was 7 wins out of 7 finishes, Wagner's 7 out of 9. Tie is broken in favor of the driver who scores his total with the fewest finishes, making STEVE BONNEY Driver of the Year.

Under each class, the top grouping of names and points are those drivers who remained eligible at the end of the 1983 season; those listed 1st, 2nd or 3rd to receive awards.

"Withdrawn" drivers are those who, during the season, accumulated more than 15 points in National races (MDIRRC 2.4a) or who qualified for firm invitations to the 1983 CSPRR (MDIRRC 2.4b) after having earned points in the MDIRRC.

"Not Qualified" drivers are those who did not fulfill the two-race minimum requirement specified in MDIRRC 5.2 by the end of the season.

"Declared Out" drivers are those who requested not to be considered for MDIRRC points in accordance with MDIRRC 2.4c, or those (marked *) who became ineligible for points under provisions of MDIRRC 2.4a or 2.4b before they had scored any MDIRRC points.
