

MIDWEST DIVISION INTER-REGIONAL ROAD RACING CHAMPIONSHIP
SPORTS CAR CLUB OF AMERICA

FINAL ACTIVITY REPORT TO MIDIV EXECUTIVE COMMITTEE
November 13, 1982

The following report, in points-list format, details all activity by drivers eligible for MDIRRC points at some time during the 1982 season. Points were awarded to those eligible drivers in accordance with MDIRRC Regulations, Section 2 (Eligibility) and Section 5 (Championship Scoring), with awards to be given to the top three drivers in each class in accordance with MDIRRC 6.4, and to the Driver of the Year in accordance with MDIRRC 5.7.

Four ties for awards have occurred, for the championship in F Production and Formula 440, and for 2nd place in GT1 and Formula Vee; all of which were resolved through application of MDIRRC 5.5 (most wins).

Three drivers who scored 72 points each were in contention for Driver of the Year: Linn Strickland in EP, Scott Liebler in GP, Albert Stone in GT4. Strickland and Liebler each won 7 races to Stone's 6, eliminating Stone. Strickland won 5 races outright, losing twice to ineligible drivers, while Liebler won all 7 outright, making Liebler Driver of the Year.

Under each class, the top grouping of names and points are those drivers who remained eligible at the end of the 1982 MDIRRC season; those listed 1st, 2nd or 3rd to receive awards.

"Withdrawn" drivers are those who, during the season, accumulated more than 15 points in National races (MDIRRC 2.4a) or who qualified for firm invitations to the 1982 CSPRRRC (MDIRRC 2.4b) after having earned points in the MDIRRC.

"Not Qualified" drivers are those who did not fulfill the two-race minimum requirement specified in MDIRRC 5.2 by the end of the season.

"Declared Out" drivers are those who requested not to be considered for MDIRRC points in accordance with MDIRRC 2.4c, or those (marked *) who became ineligible for points under provisions of MDIRRC 2.4a or 2.4b before they had scored any MDIRRC points.
