

Vroom, the

Club Racing Program

The Goal and objective of the MiDiv Club Racing Program is to develop a long-range program that will be a factor in the retention and recruitment of volunteers for the Club Racing Events in the Mid-West Division.

How does it work?

CREDITS

Each Midiv Volunteer receives one point for each day worked at a Club Race. This is reported by each race group from each track to the points keeper for logging. Discrepancies communicated are fixed as soon as possible. The points are also posted on the MiDiv website so that each volunteer can check their own points. Each volunteer working a MiDiv Club Racing event is automatically signed up for points. Each volunteer is responsible to check that his/her points are accurate.

REDEMPTIONS

A catalog showing various wearable items is viewable through the MiDiv website. Redemption levels are as follows:

Level A = 3 Points

Level 1 = 8 Points

Level 2 = 15 Points

Level 3 = 25 Points

Gift Cards are also available upon request. Five Points will redeem for a \$25.00 Gift Card.

RECRUITER CREDITS

Points will be awarded to any volunteer who brings a NEW volunteer (defined as someone who has not been a regular or weekend member for at least one year) to a Club Racing event and that works at least one day at any specialty.

Information on the names of the recruit, recruiter, membership numbers, date(s) worked and track worked must be submitted to the committee within 30 days of the event worked.

The recruiter is given a recruiter point for every point the worker earns the first weekend they work. So, if you bring a friend who works Saturday and Sunday and you work Saturday and Sunday, you both get 2 points. Then when you report the new person you recruited, you get an additional 2 recruiter points added to your account.

Receive points for recruiting by using the form posted on the website.

Send the completed form via snail mail or email to either Janet Berry, 128 Taylor Park Loop, Little Rock AR 72211, janet@treefrogracing.com, or Vicki Jarecke, 2632 W Mt Vernon, Springfield MO 65802, vickijarecke@sbcglobal.net.
